EECS INSTRUCTIONAL ACCOUNT REQUEST

EECS Instructional Support provides computer accounts for the EECS
instructional labs and related servers to students in EECS majors
and in EECS courses.

To Request an Account:

1) First, login to **WebAcct**, our account management system, at *http://inst.eecs.berkeley.edu/webacct*.
You use your CalNet ID to login.
You do NOT need this form if **WebAcct** lets you login and gives you the account you seek.

2) **If WebAcct** denies your request, you need a **faculty or staff appoval** to confirm your student status.
The **SIGNATURE** can be from one of these:

- faculty member who is teaching an EECS course that you are taking this semester
- an Advisor from the EECS Center for Student Affairs
- attach copy of Concurrent Enrollment Application, **signed by instructor**
- attach copy of Filing Fee Approval indicating acceptance in an EECS or CS major

Return the **SIGNED** form to **378 Cory Hall**.

We will send you confirmation and instructions in email.

Please send questions to *inst@eecs.berkeley.edu*.
