

lwc490

This printer is available to EECS graduate students from EECS domain research accounts on Windows systems and on argus.cs (UNIX).

Access: On Windows, you can add this printer:

- Start\Settings\Printers
- Select “Add Printer”
- Select “Network printer”
- Select “Type in a printer name or click Next to Browse for a printer”
Enter

On argus.cs (UNIX), this printer is **lwc490**

- Help “*man lp*”, *man lpr*” and “*man enscript*”.
- To print “file.txt”: “*lpr -Plwc490 file.txt*”
- To print “file.pdf”: “*acroread -toPostScript < file.pdf | lpr -Plwc490*”
- To view the queue: “*lpq -Plwc490 file.pdf*”

Contacts: For problems with the print queue (Windows or UNIX), paper jam or supplies:

- printers@cory.eecs.berkeley.edu, 377 & 378 Cory

Owner: Dept of EECS (Kate Riley, 221 Cory)
