## THE BEAUTY AND JOY OF COMPUTING

Your name – write it loud and proud! (check this box □ if you would like us to hide your name)

Use this page to let your creativity flow! Draw a picture (or write a poem, haiku, limerick, etc.) about CS10, or BYOB, or computing in general. We'll share these with the rest of the class.

## Feedback on "Ten principles for privacy in social media"

These ten principles are a work in progress. Your feedback, as young people on the front lines of the social media revolution, is critically important. Please answer the following three short questions that pertain to the attached sheet, then detach the ten principles as a gift to you, and turn this sheet of paper in at the final exam.

 Which principle is the <u>most important</u>? (i.e., surprised you the most, taught you the most, gets violated the most by you or your friends, etc)? \_\_\_\_\_\_ Explain.

2. Which was <u>most confusing</u> to you? \_\_\_\_\_\_ What was confusing and could you recommend how it be changed?

3. What is the **<u>11th principle</u>**? (i.e., the one that should have been listed but wasn't)
