

Exercise 4: Two Squares

- Animate 2 squares moving across the screen
 - They should both exhibit personality
 - One should be slow and heavy
 - One should be quick and light
- Boxes and squares with thickness are acceptable

Exercise 4: Two Squares

- Preferably put each square in its own video file
- Convey weight through timing and poses
- May want to do this pose-to-pose

Exercise 4: Two Squares

- Williams:
 - pp. 256-284 (weight)
- Whitaker et al:
 - pp. 26-31 (movement)
 - pp. 66-79 (weight and force)
