

can't cross

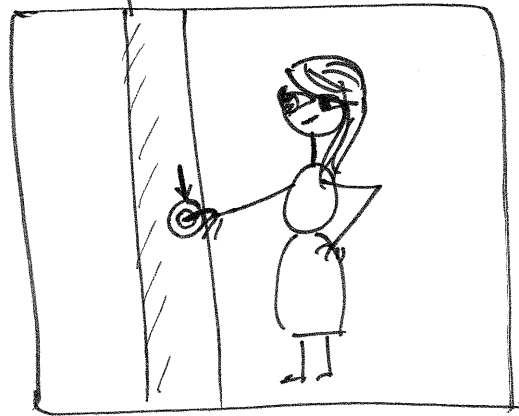

still can't cross

looks that way

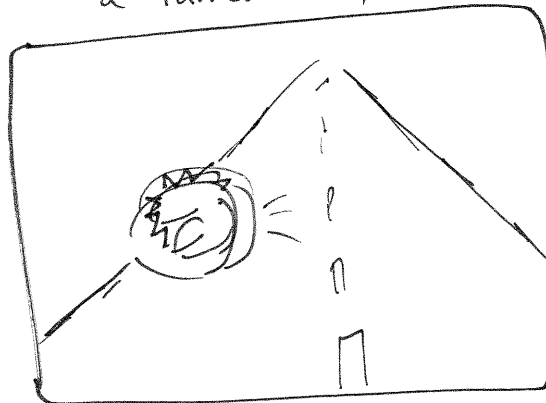

push the button

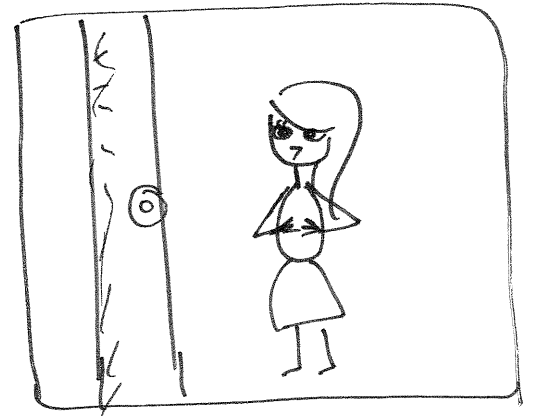

looks this way

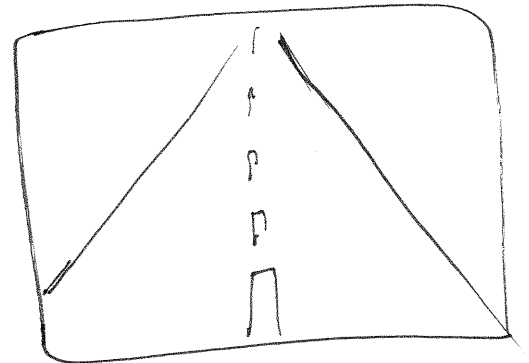

no one... but
a tumbleweed

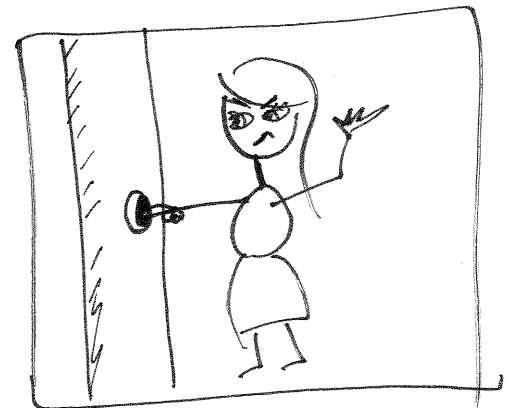

* blink blink *

no one coming

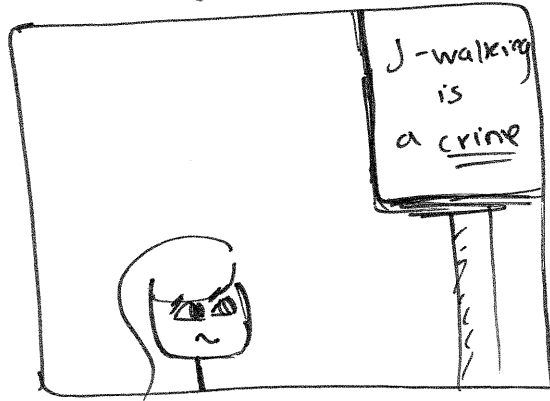

pushes frantically

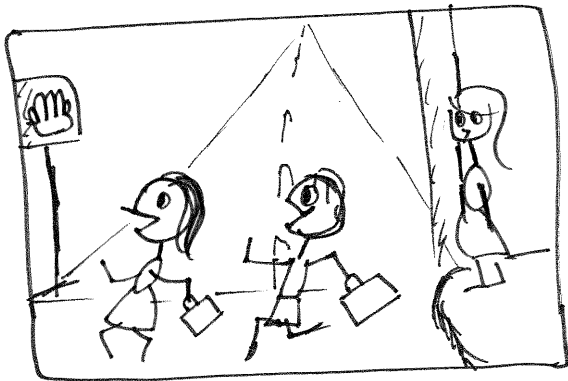

exhausted

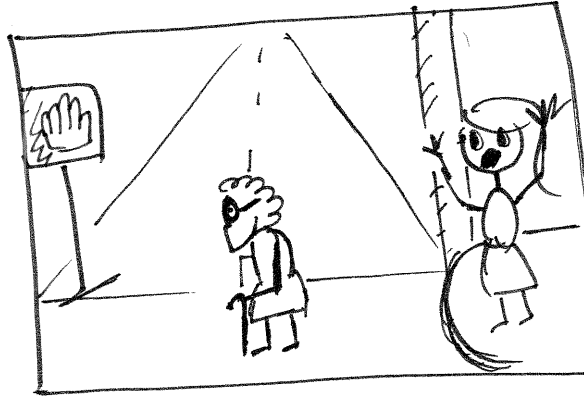

"Jay-walking is a crime"

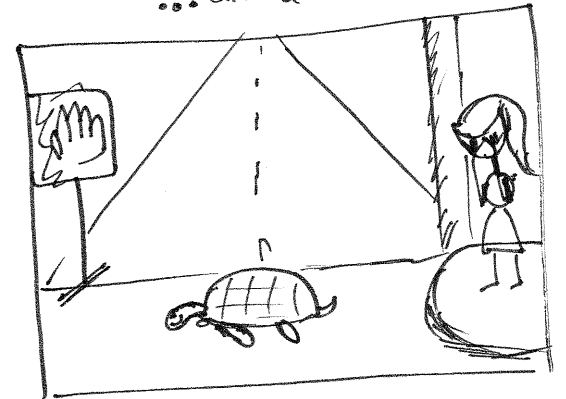

showed up by a bunch of little kids

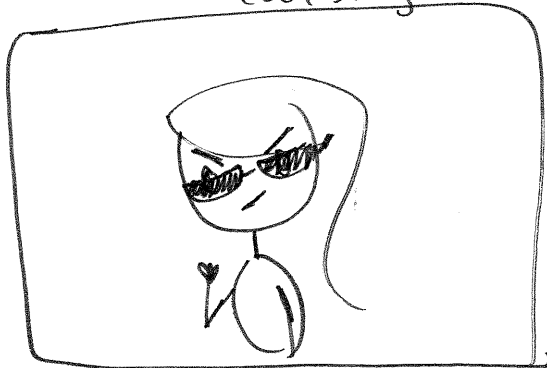

... and an old lady

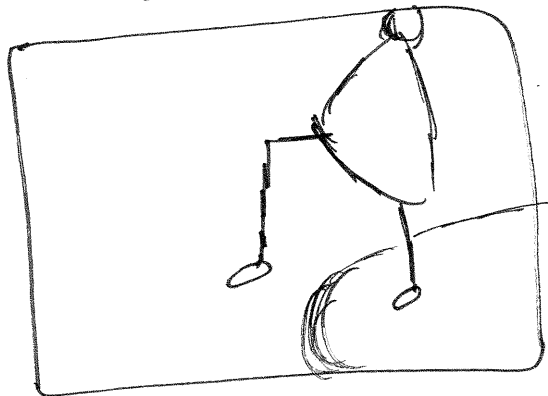

... and a turtle

determined ... puts on cool sunglasses

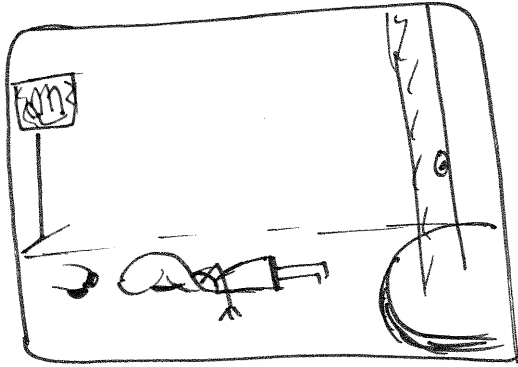

one step

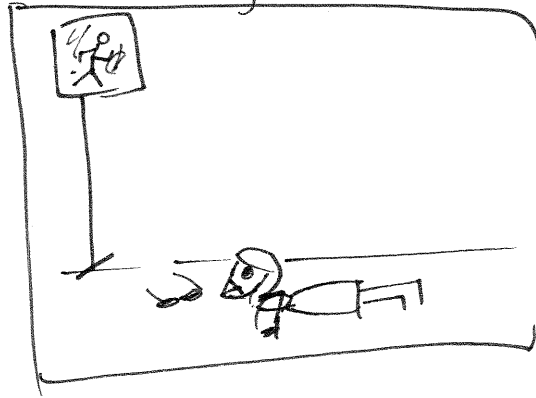

car comes out of nowhere

face down

signal turns on

ticket
