This is a mandatory assignment. Take a spare photograph of yourself and tape (don’t staple) it below. If you have no copies, you may XEROX a photo on this page (set the copy machine to “photo” mode, it improves contrast significantly). If you have no photos of yourself, perhaps you can get a friend with a digital camera to take and print a nice “head shot” of you. Failing all of that, you may use an enlarged copy of your Cal student ID, but that’s sub-optimal since the photo is so small.

Hand this in to your TA in discussion section during the 2nd week of class! Late / missing submissions will cost participation points.
