Electrical Engineering and Computer Sciences

Instructional computing lab

199 Cory

"lw199" - HP 4si laser printer

Hewlett Packard model 712/50 workstations
Commonly used here: **Ptolemy, Xilinx, Matlab, Mathematica, Suprem, HP MDS**
Type ***"clients"*** to list other computer labs; type ***"software"*** to for a list of what's available.

INTEL Pentium Pro computers running Windows NT
Commonly used here: **HSpice, Pspice, Powerview**

Users with EECS Instructional accounts can login here.
See the green bulletin board near 105 Cory for information.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

105 Cory

"lw105" HP IIIsi laser printer
Hewlett Packard model 712/50 workstations
Commonly used here: **Ptolemy, Xilinx, Matlab, Mathematica, Suprem, HP MDS**

Users with EECS Instructional accounts can login here.
See the green bulletin board near 105 Cory for information.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

119 Cory

"lw119" Apple laser printer

Digital Equipment Corp model 255 Alpha workstations

Commonly used here: **HSpice, Matlab, Magic**

Users with EECS Instructional accounts can login here.
See the green bulletin board near 105 Cory for information.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

330 Soda

"lw330" HP 4si laser printer
Intel PCs running **Solaris, Windows NT**

Users with EECS Instructional UNIX accounts can login.

UNIX systems:
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

See the green bulletin board near 333 Soda for information.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

347 Soda

"lw347" HP 4si laser printer

Hewlett Packard model 712/80 workstations

Commonly used here : **GL, Powerview**

(read **/usr/pub/GL.help, /usr/pub/Powerview.help** for info)

Access is typically restricted to CS184 and CS152 accounts.

See the green bulletin board near 271 Soda for information.

Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group

386 & 377 Cory Hall, 333 Soda Hall

root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

349 Soda

Hewlett Packard model 715/80 workstations
Silicon Graphics Indigo workstations
Commonly used here : **GL**
(read **/usr/pub/GL.help** for info)

Access is typically restricted to CS184 accounts.
See the green bulletin board near 271 Soda for information.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

271 Soda

Hewlett Packard model 715/60 workstations

Commonly used here: **Powerview, GAIN, gcc, scm**

Users with EECS Instructional accounts can login here.
See the green bulletin board near 271 Soda for information.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

273 Soda

Hewlett Packard model 715/60 workstations

Commonly used here: **gcc, scm**

Users with EECS Instructional accounts can login here.
See the green bulletin board near 271 Soda for information.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

275 Soda

Hewlett Packard model 715/60 workstations

Commonly used here: **gcc, scm**

Users with EECS Instructional accounts can login here.
See the green bulletin board near 271 Soda for information.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional computing lab

277 Soda

Intel PCs running **Solaris**

Commonly used here: **javac, gcc**

Users with EECS Instructional UNIX accounts can login.
Type ***"clients"*** to list other computer labs; type ***"software"*** to list what's available.

See the green bulletin board near 271 Soda for information.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional printer room

274 Soda

"lw274"
(2) Hewlett Packard 5si laser printers

a print group of 2 printers

print jobs sent to "lw274" go here

Read /usr/pub/Printers for information about Instructional printers.

See the green bulletin board near 271 Soda for information about EECS Instructional UNIX accounts.

maintained by EECS Instructional & Electronics Support Group
386 & 377 Cory Hall, 333 Soda Hall
root@cory.eecs.berkeley.edu

Electrical Engineering and Computer Sciences

Instructional printer room

121 Cory

"lw121" - Apple laser writer

"lp121" - DEC high-speed line printer

Read /usr/pub/Printers for information about Instructional printers.

See the green bulletin board near 271 Soda for information about EECS Instructional UNIX accounts.
